

# Edison Golden Brigade Boosters

*A note from the Band Booster President:*

*I'm really excited about this marching band season! We had a great season this past year and earned significant awards. I look forward to another year pursuing excellence, which includes challenging the band to be the best it can be. We as Boosters work to support the Golden Brigade in pursuit of excellence. There are many aspects to supporting a marching band and colorguard so please take some time to read about what is needed and decide how you would like to be involved. Together we can support our students and Mr. Madrid and cheer them on to a successful season!*

**GO TIGERS!**

*~Rhonda Dueck, EHS Golden Brigade Booster President*
